**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a proud customer of a locally owned ISP that offers me better customer service, reasonable rates, and supports my local economy. I urge you to protect the competition. Don't muck around letting the big dogs gobble up everything. It is simply not the American way. Support broadband internet that gives the American people the freedom to decide for themselves what company to go with, and keep internet access affordable and fast -- Don't allow ATT and COMCAST to swindle the American Public. Stop the big ISPs from hiking prices and squeezing people to death. Support policies that keep broadband competitive.
